Other Info

Maybe you are a birder, geologist, or historian. If you'd like, tell us what you find interesting about this trail and the surrounding area (scenic views, notable plant life, etc). Please also note dangerous areas, other trails nearby, and/or confusing intersections. *Please take notes here and rewrite in 200 words or less on a separate page.*

Trail Managing Entity

Trail Manager:

Any maintenance needs or problems with the trail currently?
